

Master Disc Tips

Master Tips

- Please supply two copies of your master with each order
- Use good quality blank media
- Use –R media (dash R, minus R)
- DO NOT USE -RW media (rewritable)
- Burn or copy master at the slowest burn rate available with your equipment
- Close session, do not leave the session open
- Identify your masters with at least one of the following
 1. Sales Order or Job Number (preferred)
 2. Job Name
 3. Company name or Your name

Test your master on several types of platforms (different players, mac and pc drives, car players, etc) if possible, to ensure functionality and playability.
